

79B0100006C0000 – Medium Pressure TFE Hose Assemblies

Description

Hose assemblies may be ordered factory assembled. Bulk hose and fittings are available for customer fabricated hose assemblies. Standard hand tools can be used for low volume assembly.

Medium pressure TFE fittings are available in a complete range of sizes and styles including straights, 45° and 90° elbows, with flared, flareless and flanged type connections. Size -03 fittings adapt to size -04 hose and are identified by either -3/-4 or 34. Reuse of sleeves is not recommended.
